Creativity. Fellowship. Courage.

Dear Freemantle Parents and Carers,

Please see the information below originally shared earlier in the year that explains how to access our free online libraries of books.

Over summer, it is very important that your child continues to read at home. In school, children spend a minimum of 30 minutes each day either independently reading or listening to an adult read on top of their reading lesson. Maintaining regular reading over summer will mean your child will be fully prepared for their return in September.

Below you will find the login information your child needs for **ePlatform**. The high-quality, modern and engaging books found here are similar to those we have in school and news books are being constantly added.

Please make use of ePlatform at home to support your child's reading, learning and wellbeing over summer.

Please contact your child's current class teacher before 23/07/2021 if you have any questions or problems with logging in to ePlatform (or Accelerated Reader for pupils in Years 2-6).

Thank you for your continued support.
Mr Seymour
Key Stage 2 and Reading Lead

Username: **This is the same as TTRS and Accelerated Reader and is in the format of first 3 letters of first name + first 3 letters of surname**
Example: **marsey**
Password: **read**

ePlatform ebook Libraries Parent Guide

Logging in

To access your child's ePlatform books, go to/bookmark: freemantleschool.wheelers.co
Click sign in (top right)
Enter the username and password located above.

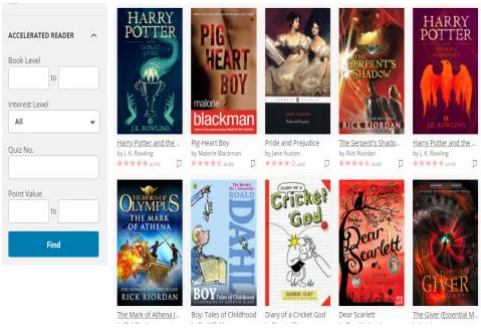
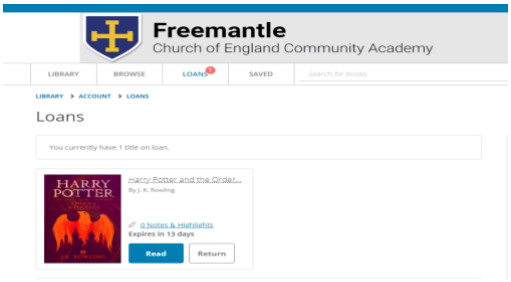
Library

Once logged in, you will land on the library. By clicking browse you will see a selection of books that your child can read. They can browse by a variety of different options including Accelerated Reader ZPD level or search for books. The books are designed to suit readers with reading ages from 7-14 years, so you may wish to check what your child is reading as you would do in a bookshop or library.



To loan one of the books, click on the cover and then click the read button. To return a book, click on the loans tab at the top of the page and then click return. Books are loaned for 14 days then automatically returned. Pupils can reserve books, too. By using an email address, you can be notified or when a reserved book becomes available.



Apps

The ePlatform app is available from the App Store, Google Play and on Microsoft devices, too. When using the app, you can download books to your device, after which you can then access them without needing to be connected to the internet.

Accelerated Reader

Almost all books on ePlatform can be quizzed on Accelerated Reader (https://ukhosted119.renlearn.co.uk/2239621/). By encouraging pupils to quiz, they are gaining more from their reading and their class teacher is better able to support them.

Problems

I can't find the website: make sure you bookmark/use this link: freemantleschool.wheelers.co (a Google search does not work).

My child can't log in: For the username, take the first 3 letters of their first name and the first 3 letters of their surname. For James Holden that would be: 'jamhol'
For the password: read.
