Captain Smith

Learning Journey

Spring 1

This half term we will be learning...

What was the Titanic?

Where was the Titanic going?

Who was onboard the Titanic?

Was life onboard the Titanic the same for everyone?

Why did the Titanic sink?

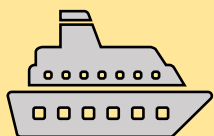

Who was at fault for the Titanic sinking?

What were laws changed because of the Titanic?

Assessment:

Identifying children's knowledge on the Titanic

Explore what it is like to travel on a ship by role-playing the different responsibilities of people on board.

Learn what the Titanic was and why it was considered a significant ship at the time.

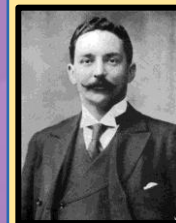

Examine daily life for passengers on the Titanic, focusing on the differences between first, second, and third class.

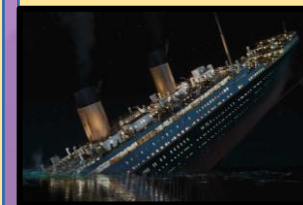

Develop an understanding of the key events that led to the sinking of the Titanic.

Identify important individuals connected to the Titanic and understand their roles.

Explore how the sinking of the Titanic led to changes locally and influenced national safety laws.

Assessment:

Redesigning the Titanic to make it more safe, using new technology and equipment
