

Around we go – that's the way we make a zero

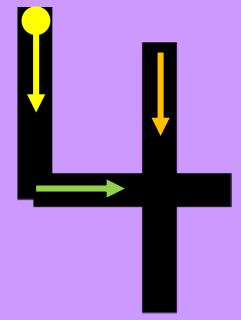

Start at the top and down we run – that's the way we make a one.

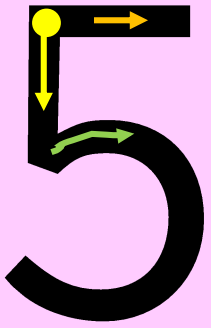

A curl for me, a line for you – that's the way we make a two.

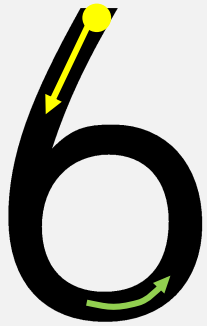

Around the tree and around the tree – that's the way we make a three.

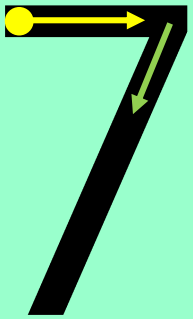

Down, across and then 1 more – that's the way we make a four.

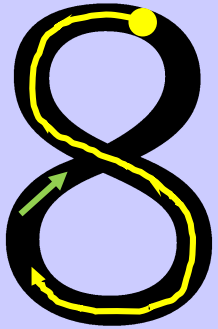

Down and around, then back up high and across the top to make a five.

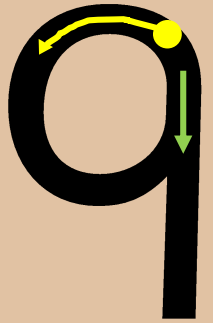

Make a curve that loops and sticks - that's the way we make a six

Across the sky and down from heaven – that's the way we make a seven.

Make an S and close the gate, that's the way we make an eight.

Make a loop and down the line, that's the way we make a nine.
