

Learning Journey

Communicate

To explore the idea of creation and what that may mean.

Apply

To understand creation and the concept of a creator. Look at everyday objects and nature, who could have created them?

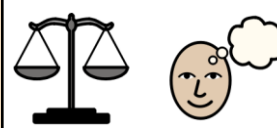

Enquire and Contextualise

To read and explore the Story of Creation through drama and retelling.

Enquire and Contextualise

To understand that Christians believe that God created humans and the earth. How might Christians feel towards God as their creator?

Evaluate

To discuss why we should be thankful for the earth and why it is important to look after it.

Spirituality

Providing an opportunity for the children to be reflective about their own beliefs, religious or otherwise, that inform their perspective on celebration.

Assessment

What is a creator?

Assessment

What are you thankful for?

Assessment

How can we show different ways of looking after the earth?
