1. Introduction

Freemantle C of E Community Academy Trust is an inclusive academy where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth.

Our vision statement is 'Everyone is welcome'... We are a forward-thinking academy that embraces and acknowledges education as a right and a privilege. We have high expectations and strive to ensure that all children reach their full potential. We aim to create an environment in which everyone feels happy and is actively involved in all areas of their learning. We aim to encourage everyone to develop a growth mind-set by taking risks, asking questions, rising to challenges and being resilient. We value everyone as individuals and encourage them to respect each other, helping them to form and maintain positive and meaningful relationships.

We teach children about their rights and about our core values of courage, fellowship and creativity. We celebrate individuality and the unique talents and characteristics of each child, whilst celebrating the wonderfully diverse make up of our academy. Our school promotes and teaches the children to understand the British values of tolerance and mutual respect, democracy, individual liberty and the rule of law. Our Freemantle curriculum aims share the ambitious expectations we have for our children. We prepare children well for the opportunities, responsibilities and experiences of later life.

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement within different groups.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998. Our commitment to ensuring equality of access to the academy environment is detailed in our academy local offer.

2. Aims

Our academy aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share a relevant protected characteristic

- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it. The protected characteristics* are:
 - Age
 - Disability
 - Gender reassignment
 - Marriage or civil partnership
 - Pregnancy and maternity
 - Race
 - Religion or belief
 - Sex
 - Sexual orientation

**See Appendix 1 for further information on the above*

Our approach to equality is based on the following key principles:

- **All learners are of equal value:** Whether or not they are disabled, whatever their ethnicity, culture, national origin or national status, whatever their gender and gender identity, whatever their religious or non-religious affiliation or faith/non-faith background.
- **We recognise, respect and value difference and understand that diversity is a strength:** We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to disability, ethnicity, gender, religion, belief or faith. We believe diversity should be respected and celebrated by all those who learn, teach and visit here.
- **We foster positive attitudes and relationships:** We actively promote positive attitudes and mutual respect between all groups and communities irrespective of any differences from each other.
- **We foster a shared sense of cohesion and belonging:** We want all members of our academy community to feel a sense of belonging within the academy and wider community and to feel that they are respected and able to participate fully in academy life.
- **We observe good equalities practice for our staff:** We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion, and in continuing professional development.
- **We have the highest expectations of all our pupils:** We expect that all pupils can make good progress and achieve to their highest potential.
- **We work to raise standards for all pupils:** We believe that embedding the strategies to improve the quality of education for the most vulnerable groups of pupils raises standards across the whole academy.

3. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#), the [technical guidance for schools from the Equality and Human Rights Commission](#) and [guidance from the Government Equalities Office on meeting the specific duties that support the Public Sector Equality Duty](#).

This document also complies with our funding agreement and articles of association.

4. Roles and responsibilities

The Board of Directors is responsible for ensuring that the academy complies with legislation, and that this policy and its related procedures and identified actions are implemented.

During each board of directors meeting aspects of the academy's commitment to the Equality Duty are kept under review, for example, in terms of standards, curriculum, admissions, exclusions, personnel issues and the academy environment.

Directors annually review this policy, as well as considering actions against the equality objectives in line with the cycle.

The board of directors will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents/carers
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher
- Meet with the headteacher and other relevant staff members, to discuss any issues and how these are being addressed
- Ensure they are familiar with all relevant legislation and the contents of this document
- Attend appropriate equality and diversity training
- Report back to the full board regarding any issues

The headteacher will:

- Promote knowledge and understanding of the equality objectives among staff and pupils, identifying any staff training needs, and deliver training as necessary
- Monitor success in achieving the objectives and report back to directors
- Have 'due regard' when making a decision or taking an action to whether it may have particular implications for people with particular protected characteristics

All academy staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

5. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings. Where this has been discussed during a meeting, it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training annually as part of our annual training offer.

We take account of equality issues in relation to admissions and exclusions; the way we provide education for our pupils and the way we provide access for pupils to facilities and services.

We are aware of the Reasonable Adjustment Duty for disabled pupils – designed to enhance access and participation to the level of non-disabled pupils and stop disabled pupils being placed at a disadvantage compared to their non-disabled peers.

The Headteacher ensures that all appointment panels give due regard to this policy so that no one is discriminated against when it comes to employment, promotion or training opportunities.

We ensure that those who are affected by a policy or activity are consulted and involved in the design of new policies, and in the review of existing ones.

We take seriously the need to consider the equality implications when we develop, adapt and review any policy or procedure and whenever we make significant decisions about the 'day to day life' of the academy.

We actively promote equality and diversity through the curriculum and by creating an environment which champions respect for all.

Our admissions arrangements are fair and transparent, and we do not discriminate against pupils by treating them less favourably on the grounds of their gender, race, disability, religion or belief.

6. Advancing equality of opportunity

The academy is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions. Staff, Directors and Members are regularly reminded of their responsibilities under the Equality Act, for example during meetings.

New staff receive training on Inclusion, SEND and safeguarding as part of their induction, and all staff receive refresher training at regular intervals. The academy has a designated member of staff for monitoring equality issues (Nina Myszkowski, Headteacher) and an equality link Director (Karen Linington). They regularly liaise regarding any issues and make senior leaders and Directors aware of these as appropriate.

We eliminate discrimination through:

- Understanding the needs of our academy population and collecting and analysing data in order to inform our planning and identify targets to achieve improvements;
- Having clear procedures and working in partnership with parents and carers, identifying pupils who have a disability or additional needs through our induction process;
- Implementation and review of all relevant policies (e.g. SEND policy, Intimate Care Policy, Supporting Pupils with Medical needs Policy and Accessibility Plan);
- Reporting, responding to and monitoring all racist incidents; shared and in directors' minutes;
- Ensuring all children are treated with dignity, feel safe at the academy and any prejudicial behaviours are addressed;
- Regularly reviewing our curriculum to ensure that it reflects current guidance and is entrenched in spiritual, moral, social and cultural learning opportunities, which meet the needs and interests of all learners;
- Providing opportunities to understand human rights and fundamental British Values;
- Ensuring teaching is of the highest quality to ensure children reach their potential and all pupils are given equal entitlement to success;
- Tracking pupil progress to ensure that all children make expected or better progress from their starting points, and intervening when necessary to diminish any gaps;
- Ensuring that all pupils have the opportunity to access extra-curricular provision (enrichment clubs);
- Listening to and monitoring views and experiences of pupils and adults to evaluate the effectiveness of our policies and procedures.

The headteacher will ensure that all appointment panels give due regard to this policy so that no one is discriminated against when it comes to employment, promotion or training opportunities.

Advancing equality of opportunity:

In fulfilling this aspect of the duty, the academy will:

- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information;
- Make evidence available to directors identifying improvements for specific groups (e.g. declines in incidents of homophobic or similar types of bullying);
- Share information about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils;
- Identify actions related to analysis of vulnerable groups each term and evaluations of progress informs future changes to provision;
- Foster good relations across all characteristics - between people who share a protected characteristic and those that do not, by embedding equality and diversity in the curriculum and wider activities e.g. Pupil Leader elections, Pupil voice elections, Mental Health Champions, Anti-bullying week, RE curriculum, British Values, Class reflection spaces, Talk partners etc;
- Foster good relationships by providing enrichment opportunities e.g. educational visits, visiting speakers, specialist teachers in music, dance and sports;
- Ensure that Freemantle C E Community Academy is visible within our local community e.g. singing in the community, taking part in choir festivals, participation in sports events including those for children with disabilities, visits to local secondary academy's, fund-raising initiatives and charity days, through collaborative research with local academy's and in contributing to curriculum and trust wide developments;
- Recognise our responsibilities to the environment near and far through our globally immersive curriculum;
- Provide a variety of extra-curricular and cross-academy opportunities for children to extend confidence and experience of working with different personalities, cultures and abilities.

Internal data and data supported by Southampton City Council provides an analysis of standards reached by different groups at the end of each key stage and in groups of pupils such as: Ethnicity, Special Educational Needs (SEND), Looked After Children (LAC), Disadvantaged, Free School Meals (FSM), and English as an Additional Language (EAL) – Note: This is not an exhaustive list and is subject to amendment at any time to keep it updated.

We are aware that the legislation relates mainly to current but also to future pupils – we will strive to meet the needs of all pupils who join our academy.

We avoid language that runs the risk of placing a ceiling on any pupils' achievement. We use a range of teaching strategies that ensures we meet the needs of all pupils. We provide support to pupils at risk of underachieving.

We are alert and proactive about the potentially damaging impact of negative language in matters such as race, gender and disability. Staff have had training and are aware of the procedures to follow for any incidents of Prejudicial language or Behaviour (PLAB) to remove or minimise any disadvantages suffered by people with specific characteristics.

In addition to avoiding or minimising any possible negative impacts of our policies, we take opportunities to maximise positive impact by reducing and removing inequalities and barriers that may already exist. We ensure equality of access for all pupils to a broad and balanced curriculum, removing barriers to participation where necessary. The Board of Directors closely monitor the effective implementation of the Academy Equality & Accessibility Policies.

7. Fostering good relations through positive action

We will take positive and proportionate action to address the disadvantage faced by particular groups of pupils with particular protected characteristics, such as targeted support. The actions will be designed to meet the academy's Equality Objectives.

What we are doing to foster good relations

- We prepare our pupils for life in a diverse society and ensure that there are activities across the curriculum that promotes the spiritual, moral, social and cultural development of our pupils;
- We teach about difference and diversity and the impact of stereotyping, prejudice and discrimination through PSHE/RSHE, developing cultural capital across the curriculum;
- We use materials and resources that reflect the diversity of the academy, population and local community in terms of race, gender and disability, avoiding stereotyping;
- We promote an academy ethos and values that challenge prejudice based discriminatory language, attitudes and behaviour;
- We invest heavily in the provision for early language, communication and reading, ensuring that those children who start school with a delay in their language are effectively supported in their development. We prioritise emotional literacy support (ELSA) for those children who need it;
- We provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures and beliefs;
- We include the contribution of different cultures to world history and that promote positive images of people;
- We provide opportunities for pupils to listen to a range of opinions and empathise with different experiences;
- We promote positive messages about equality and diversity through displays, assemblies, visitors and academy events.

8. Equality considerations in decision-making

The academy ensures it has due regard to equality considerations whenever significant decisions are made. The academy always considers the impact of significant decisions on particular groups. For example, when an academy visit or activity is being planned the academy considers whether the visit:

- affects any religious holidays;
- is accessible to pupils with disabilities;
- has equivalent facilities and opportunities for all genders.

We maintain records of all training including those relating to Equality Issues.

We have a rolling programme for reviewing all of our academy policies in relation to equalities and their impact on the progress, safety and wellbeing of our pupils. New policies and practices consider implications regarding Equality.

In order to ensure that the work we are doing on equalities meets the needs of the academy community we:

- Review relevant feedback from parent questionnaires and parent/carers voice;
- Secure and analyse responses from staff surveys, staff meetings and training events review feedback and responses from pupils and groups of pupils, from the academy pupil voice groups, and through lessons;
- Ensure that we secure responses and feedback at Board of Directors' meetings and committee meetings.

9. Equality objectives

The objectives which we identify represent our academy's priorities and are the outcome of a careful review of and analysis of data and other evidence. They also consider national and local priorities and issues.

We evaluate our success in meeting the Public Service Equality Duties by the extent to which we achieve improved outcomes for the different groups. We ensure that we have complied with the two specific duties.

As an academy in the UK, we are required to publish the following equality information:

We must report on at least 1 equality objective once every 3-4 years – we have chosen September 2026 to be our deadline for this.

Equality Objectives September 2023 – 2026

Schools and other public sector organisations subject to the Public Sector Equality Duty (PSED) must, in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.

These are our specific and measurable Equality Objectives. They are based on our view of the current needs of the academy. They focus on those areas where we have agreed to act to improve equality and tackle disadvantage.

We will regularly review the progress we are making to meet our equality objectives:

Objective 1: To develop a greater understanding of diversity and cultures through enriching children's capital.

To achieve this objective, we plan to: Whilst we are proud of the fact that our academy is wonderfully diverse, we will strengthen the sequencing of knowledge and broaden the experiences we offer our children.

Why we have chosen this objective: To ensure our pupils know more, do more, expect more and think more.

Objective 2: To develop the provision of RE in order to embed a clear understanding and appreciation of different faiths and cultures from around the world.

To achieve this objective, we plan to: Enhance our RE curriculum and explore opportunities within the local community, to enrich our children's RE capital.

Why we have chosen this objective: We want to increase our pupil's understanding of diversity at school, in the local community, and globally.

Objective 3: For pupils to fully live and breathe the vision and values that 'everyone is welcome' at Freemantle.

To achieve this objective, we plan to: Strategically map a range of opportunities to discuss, debate, explore and challenge perceptions, whilst working co-operatively with SACRE (Standing Advisory Council for Religious Education).

Why we have chosen this objective: Some of our children do not have access to wider experiences outside of our local area. We want to ignite our children's curiosity by learning about how life is different in other towns and cities both near and far.

10. Monitoring arrangements

We review this policy annually. Objectives are reviewed within Board of Directors meetings.

We aim to engage and consult with pupils, staff, parents/carers, and the local community so that we can improve our information, monitor the impact of our policies, develop our equality objectives and improve what we do as an academy. We will do this through:

- Parent/Carer and pupil surveys
- Staff surveys on specific issues
- Open door policy
- Opportunities for appointments with teachers, support staff and SAT
- Parent Information Bulletins (PIB)
- Curriculum information evenings and family workshops
- Our website
- Academy pupil voice groups
- Parents' evenings
- Coffee mornings with different focus chosen by parents/carers.
- Curriculum sessions and parent workshops
- Parent working group on Mental Health
