🐰 *You made this year's parade truly egg-stra special!* 🐰

With so many incredible entries, choosing winners was an extremely difficult task. Every child who took part received a little chocolate bunny as a thank you for their hard work and enthusiasm. I was thrilled to see how many pupils embraced the challenge, using recycled materials to create such imaginative and impressive creations. A huge thank you to everyone who entered. This was our best year yet, and we can't wait to see what you all dream up next time!

As we head into the Easter break, I want to take a moment to thank you for your continued support, positivity, and partnership this term. It has been wonderful to see the children growing in confidence, kindness, and enthusiasm every day. I hope the break gives you all a chance to rest, recharge, and enjoy some special time together. Whether you're celebrating, relaxing, or simply taking a breather, we send our warmest wishes to each of you.

We look forward to welcoming the children back on **Monday 13th April**, refreshed and ready for a new term.

Warmest wishes, Miss Myszkowski

- **Plastic Pollution Competition Winners:** The Eco Warriors had the difficult task of choosing just two winners from all of the competition entries. Well done to all the children who entered, we were very impressed by your effort. Congratulations to Teo (year 6) and Abi (year 2) who are the winners of a book about plastic pollution and a cuddly turtle-made from 100% recycled plastic bottles! See their amazing posters at the end of the PIB.
- **Freemantle Earth Hour:** On Friday 27th March from 2.00 - 3.00 we will be having our own 'Freemantle Earth Hour'! During this time classes will be turning off as many lights and electrical devices as possible, learning more about sustainability and the amazing planet that we all share. The Eco Warriors are also keen to promote the official 'Earth Hour' to all our families. Earth hour will be on Saturday 28th March 8.30 - 9.30pm this year, with communities across the globe coming together to switch off and help the planet. See link below for more information.

- **Year 3 Blashford Lakes Educational Visit:** Year 3 had a fantastic time on their trip to Blashford Lakes this week, made even better by the glorious sunshine.

They enjoyed a range of hands-on-activities, including pond dipping, den building, soil testing and exploring rocks. There was a real buzz of excitement and enthusiasm throughout the day.

Warmest wishes from the Freemantle Team
